

EcoBlu®

Single-Spray Jet

Nozzle FKS series

EcoBlu FKS series Single-spray Jet Nozzle generates straight-through flow from the water base to form a crystal clear transparent water column. It has a ball joint that can be pivoted to 20° from the fountain plain.

When vertical spraying, the peak forms embosses and the incline sprays the parabola shape. Line sprightly smooth, the jet takes the adjustment flows through the pool.

Model	Dimension (mm)		
	A	B	C
FKS-2	4	61	9
FKS-3	6	90	19
FKS-10	8	116	32

Model	Code	Material	Join Size	Water Pressure (Bar)	Discharge Water (L/min)	Fountain Height (m)
FKS-2	N-1100	Electroplate	0.2"	0.05 - 0.15	6 - 20	0.2 - 1
FKS-3	N-1110	Electroplate	0.5"	0.10 - 0.30	20 - 45	0.4 - 2
FKS-10	N-1111	Electroplate	1"	0.10 - 0.50	30 - 90	0.4 - 3
