

EcoBlu®

Adjustable Fan Jet

Nozzle FR series

EcoBlu FR series Adjustable Fan-shaped Jet Nozzle sprout the water from the flat nozzle and form the fan-shaped water membrane. It looks like the peacock spreading tail under the shining underwater colour lamp.

The FR series can adjustment from the fountain plane for 15°.

Model	Dimension (mm)	
	A	B
FR-6	95	43
FR-10	145	73
FR-15	155	73

Model	Code	Material	Join Size	Water Pressure (Bar)	Discharge Water (L/min)	Fountain Height (m)
