

EcoBlu®

Overhead Jet

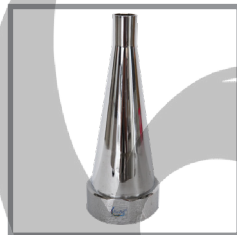

Nozzle FQ series

EcoBlu FQ series Overhead Jet Nozzle is designed for the fountain to look more impressive with the water level jet out from the nozzle.

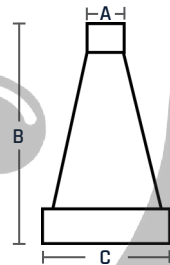

The single spray nozzle uses negative pressure in high velocity to jet the water column vertically upward, and its suitable use on the floating fountain.

Nozzle FQ-60

Nozzle FQ-30

Model	Dimension (mm)		
	A	B	C
FQ-30	32	270	87
FQ-40	32	380	110
FQ-60	84	700	184

Model	Code	Material	Join Size	Water Pressure (Bar)	Discharge Water (L/min)	Fountain Height (m)
FQ-30	N-1330	Stainless Steel, Electroplate	3"	1.0 - 3.0	500 - 1000	5 - 10
FQ-40	N-1350		4"	1.0 - 4.0	600 - 1500	5 - 15
FQ-60	N-1380		6"	3.0 - 6.0	800 - 2700	10 - 30
