

# EcoBlu

## Recess Pool RGB Colour

### LED HL-5-RGB

EcoBlu HL-5-RGB LED light series is suitable for fiberglass and concrete pools. The LED light is design in a portable size. The range of illumination is far away from the housing to provide a fantastic lighting effect and incomparable low power consumption in your pool design.

The HL-5-RGB LED light is made by IP68 waterproof rating. The RGB control will require the EBRGBC driver. **The unique point of this LED Light is it has a remote controller and its cable only needs 2 core wires to produce RGB colour mood.**

Temperature Water	5°c ~ 40°c
Lens Material	Tempered Glass
Suitable For	Concrete & Hot Spring Pools
Lifetime	≥ 30,000 Hours
Energy Efficiency	80%
