EcoBlu
## Wall Mounted Light
LED SPK-15 series

When you install the EcoBlu SPK-15 series Underwater LED light in a poolscape, the poolside will be revamped to a modern and higher standard design. The LED light has a IP68 waterproof rating and the LED's exterior shell is made up of high quality 316 stainless steel.

SPK-15 series LED light is suitable for wall mounted installation. Furthermore, low energy usage is the best solution to save electrical energy and at the same time, it can generate high power lumination.

Temperature Water	5°c ~ 40°c
Lens Material	Tempered Glass
