

# EcoBlu®

## Dandelion Jet

### Nozzle FX series

EcoBlu FX Dandelion Jet Nozzle series sprayer nozzle is small with several pipes to form a big sphere. When jetting out, the water looks like the taraxacum ball when jetting out.

It can be adjusted independently and is applicable for both interior and exterior fountain pools.

Model	Dimension (mm)	
	A	B
FX-15	600	12
FX-20	900	12
FX-30	2500	21
